PROFESSIONAL EXPERIENCE

Deloitte <i>Tax and Business Advisory Intern</i> - Leveraged Excel to clean and categorize massive transactional data streams for multinational enterprises; constructed 5 comprehensive FY25 related-party transaction models and intangible asset reports, efficiently transforming raw data into structured, executive-ready deliverables for management review - Supported the project bidding and Business Development workstreams for multinational accounts; refined language and visual formatting for Deloitte's pitch decks, while independently delivering the bilingual translation of 3 industry analysis reports and 6 corporate contracts - Conducted internal reviews for 100+ pages of commercial analysis reports across high-growth sectors, including New Energy, Automotive, Advanced Manufacturing, and Consumer Services (Language Education); independently cross-verified peer companies' financial and operational data cited in the Deloitte report through in-depth research of public filings and industry databases, ensuring data integrity and strengthening the report's analytical rigor	Beijing, China <i>May 2026 – Jun 2026</i>
VSTECs (HK00856) <i>Sales Intern</i> - Developed South China market research for H3C UniServer and HPE ProLiant series; executed 8 field visits to distributors and SIs and developed competitive analysis (Huawei/Inspur), optimizing sales strategies to convert 5 target clients - Managed risk compliance within the IT distribution network; analyzed financial statements of 20+ prospective sub-distributors and reviewed 10+ contracts to assess credit risks and mitigate bad debt exposure - Aligned with complex corporate demands and mobilized internal resources to deliver customized solutions; successfully acquired 1 new channel partner and secured a ¥200,000 server procurement contract	Guangzhou, China <i>Jun 2025 – Aug 2025</i>
Test Daily <i>Social Media Coordinator</i> - Analyzed backend datasets of a 200K+ follower platform to conduct persona mapping and consumer segmentation; formulated targeted strategies on cross-cultural trends to deliver 25+ deep-dive reports, achieving an average read volume of 10K+ per report and outperforming platform conversion benchmarks by 100% - Pioneered the industry-first research series on US university fiscal crises by performing in-depth analysis on financial reports of institutions (e.g., Rutgers, Penn State) and integrating Gen Z-oriented narratives and humor to synthesize complex business logic into deep-dive insights catering to both students and parents, generating 70K+ views	Guangzhou, China <i>Dec 2023 – Jul 2024</i>

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

NYU Class Activities Board <i>Executive Vice President</i> - Host weekly general meetings to establish a loop of student demand collection, feedback analysis, event planning and project debrief; successfully spearhead 4 campus-wide events within a single semester, serving 800+ NYU participants - Supervise the First Year Committee by managing project approvals, resource allocation, and milestone tracking; negotiate with external vendors to orchestrate venue and logistics resources, ensuring high-quality project delivery under budget constraints	New York, NY <i>Sep 2025 – Present</i>
