Situation

Good Start

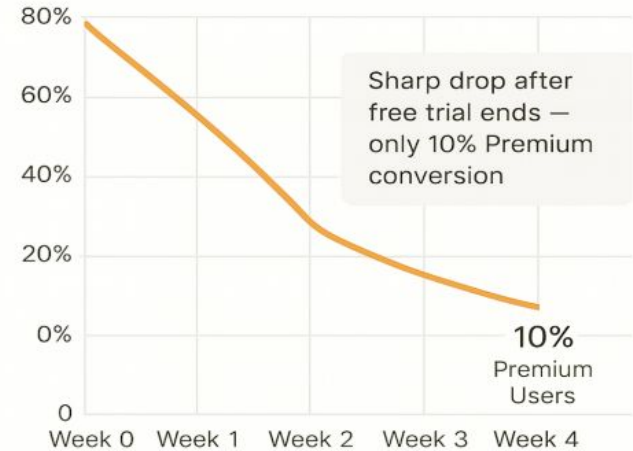

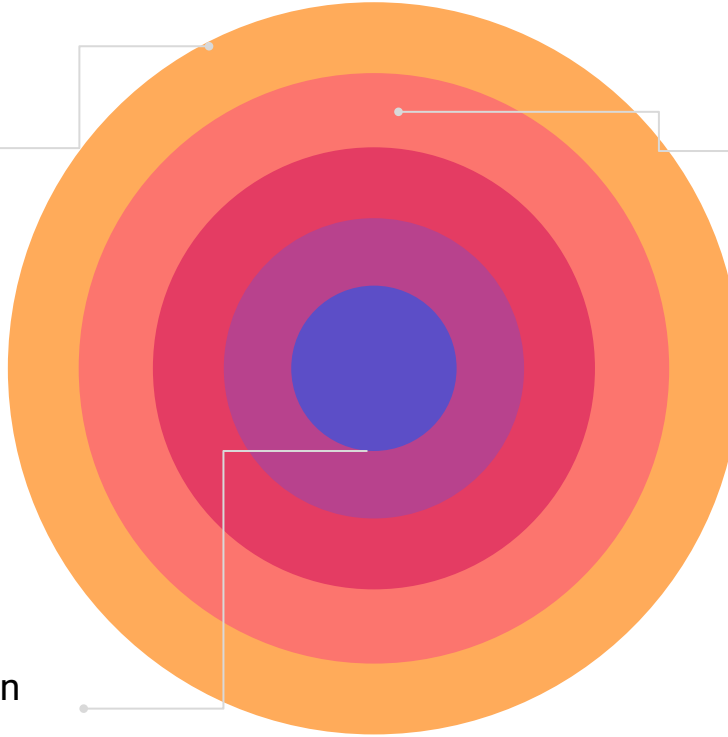

Over 500,000
downloads

Few Premium

Fewer than 10% convert
to Premium

Drop in Using

30% of users remain
active

Complication

01

Market Slowdown

Wellness apps generated \$880M revenue in 2024, a slump of 7.3%.

03

The Sale of Premium

We lose a large portion of potential premium members.

02

Solara's Competitiveness

Solara rivals other leading wellness platforms.

04

Empowering Daily Wellness

The biggest challenge in wellness is a lack of consistent daily actions.

Resolution

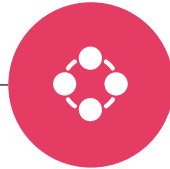

Target Audience

- Gen Z and Millennials, aged 18-30.
- Price sensitive, respond to humor and pop culture.
- Lack the willpower to stick to the plan.

Your Plan, Our Follow-Through

Wellness Partner

- AI integration
- Personalization
- Engagement driver

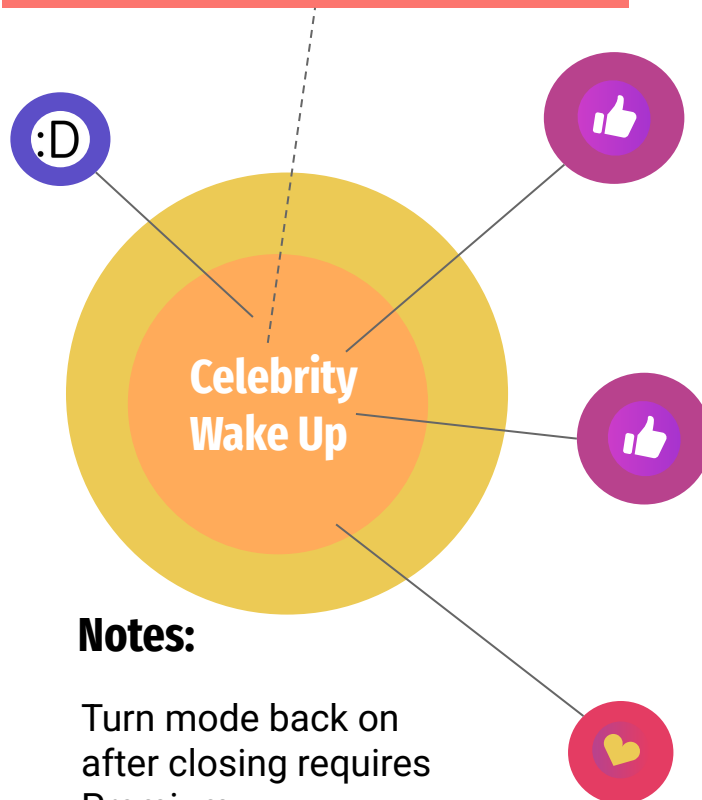

Premium

Free Tier

- Ryan Reynolds's Deadpool persona roast
- Keep users engaged with sarcasm

Campaign Concept

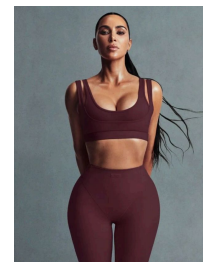

Notes:

Turn mode back on after closing requires Premium.

Kim Kardashian Mode

Confidence & lifestyle wellness coach

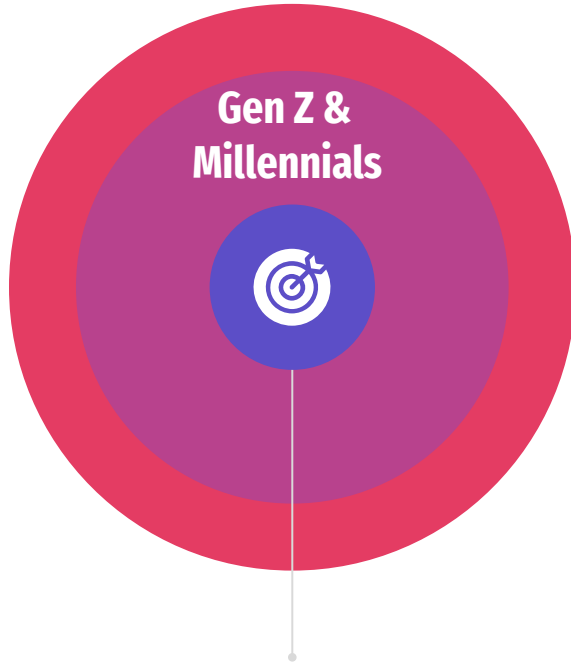

John Wick Mode

Discipline & mindfulness coach

4P Model

Targeted Customers

01

Celebrity Wake-Up

Free Tier= 1 avatar
Premium= full access

02

Premium Price

College Student \$6.99/month
Standard Premium \$13.99/month

03

Promotion

TikTok/Reels
Influencer collabs
Pop-Up: "Roast Booths"

04

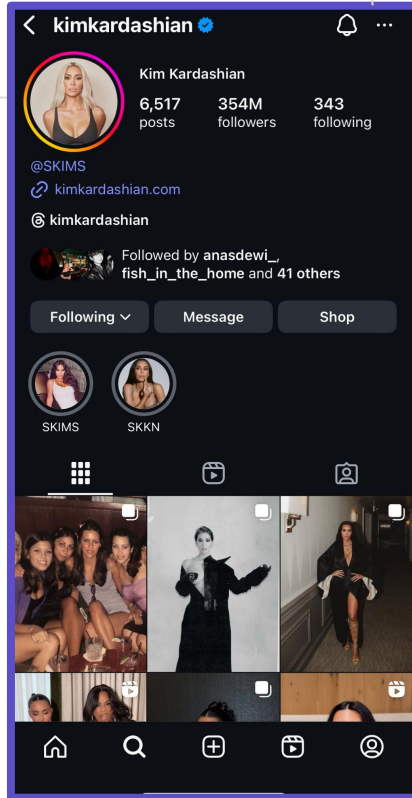

Place

App Stores: Apple, Google
Spotlight celebrity voice teasers

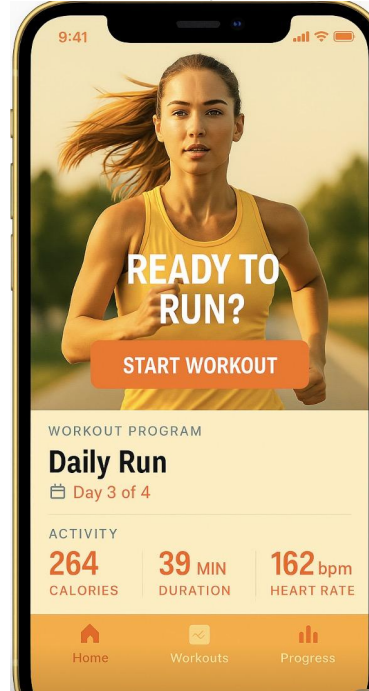

01

Strategic Fit

- Kim Kardashian's 354M followers and established wellness influence (SKIMS, Poosh).
- John Wick's discipline and perseverance - traits male users aspire to emulate.

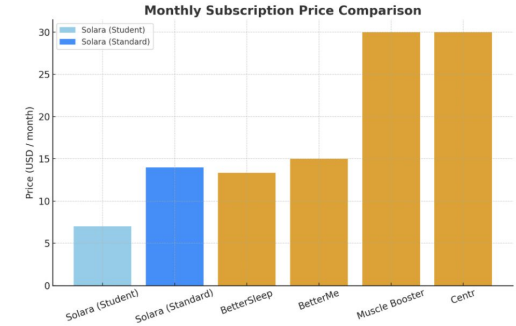

Feasibility

02

Revenue Potential & Competitiveness

Marketing ROI

**Financial
Feasibility**

Expected Outcome:
User Engagement
→ Subscription Revenue

**Begin with Ryan
Reynolds**

**Work with licensing
agencies**

**Maximize social
media buzz and
pop-culture**

**Partner with
celebrity**

Thank You
